The film tells the story of a "singing" boy who lives in New York in the late 70s, as a teenager, he meets the singer from the Forever Young group. The band was so popular that their songs were played on the radio and their albums sold in the millions. The film shows the beginning of the band's musical career and how they matured. The protagonist falls in love with a singer, and begins to sing so out of tune that his voice can only be heard when his partner sings.
