RISE. As a Tarnished heir of the Ring, you have only the choice between a legacy of death or a legacy of life. Choose your fate. RISE. The story of WAR: - If the Lord falls, the Empire will be imperiled. - The Queen is still a child and cannot maintain the Empire. - The King is a passive king, being under the influence of the Queen. - The Empire is weakened. RISE. A VAST WORLD FULL OF EXCITEMENT: - Embark on an epic journey where you set forth into unknown lands. - Your party and the enemies you face will live through an ever-changing scenario. - Explore the vast world seamlessly, with a variety of situations and a variety of routes. - The world of White Prophecy is full of excitement. RISE. A WORLD BORN FROM A MYTH: - The World Between has its own distinct and unique story. - A myth that has never before been told. - The setting for a new Tarnished tale. - A living world with a rich content. RISE. UNLEASH YOUR POTENTIALS: - Developed by PatchGames, an independent developer with more than three-and-a-half years of experience in developing RPGs. - A balanced and fun combat system that blends the unique style of PatchGames into the RPG genre. - Dynamic and absorbing turn-based battle systems that create a range of possibilities. - An original concept of player interaction that will motivate all of the player's actions and responses. - An easy-to-use user interface that allows players to intuitively customize their characters. RISE. A LIFE OR DEATH CHOICE: - An RPG with an original story that depicts the different yet similar struggles between life and death. - The legacy of becoming an Elden Lord is a matter of life or death. - A tale of a father-daughter relationship between the King and Queen. RISE. EVERY STORY IS ETERNAL: - You will not encounter a fixed story line that leaves you behind. - Episodic content is based on the decisions you make in the game. - The world of White Prophecy is where the story continues once you finish the game. Last week, we *hoped* we'd see

Star Fox 64, the first ever Star Fox game to not be officially licensed, would be getting the same console-based Kinect support it has in the past. However, original producer Yosuke Hayashi has this to say about one of the game's themed new content packs, the Elden Ring, unveiled at E3:

“ We are using the Fox controller to give you new features. You can run and jump on top of enemies.”

No one expects far of Fox for a new motion-controlled first party title, but the fact that the Wii U-skinned Kinect controls are not

required is pretty cool.

In a recent announcement, Hayashi confirmed there would be no mini-game DLC.
