Fri, 30 Nov 2012 05:54:34 +0000SFW: Karouche/2020Q: SQL replace values if %'is in values I am encountering a problem while trying to replace a number of fields that have values of "0" or "AA". Is it possible to update the values of all fields with occurrence of "%" (percent) removed? UPDATE SQL process script: I would want this for 1% conditions to happen. I don't expect more than that. Here is the query: SELECT To\_Number ('c1%') as CustomerNumber, To\_Number ('c1AA') as CustomerAB, To\_Number ('c2%') as CustomerBB, To\_Number ('c3%') as CustomerCC FROM DIR WHERE FolderName = 'AA' EXPLICIT: DIR structure Here is my script to replace: UPDATE DIR SET CustomerNumber = Cast (SubString(Version, 3, 3) AS NUMERIC) CustomerAB = Cast (SubString(Version, 8, 8) AS NUMERIC), CustomerBB = Cast (SubString(Version, 10, 10) AS NUMERIC), CustomerCC = Cast (SubString(Version, 13, 13) AS NUMERIC) WHERE FolderName = 'AA' I wanted to use the above script for all records. But I have to apply it with WHERE from some of the

Bigcatgames6.0: "It's a shame when a game has such an amazing storyline and amazing gameplay, but the writing is the worst part of the game. The writing is really cheesy, and has many grammatical errors, but most of all there is no effort put into developing the story. I took the time to read through the entire story, and the only thing I learned from it was that the head of the Dominion is a man named Rannath, and that each of the dominion leaders have a unique dominion. That's it." Treycos19.0: "...In all honesty, the game is a little short. Although, you should definitely play this game for the story, you'll miss out on most of the combat system." CAT8US9.0: "Although, this game is really short and it's easy to get through it in one sitting, it's not that bad. The graphics are fairly good, the dungeons are really fun, and the story is definitely interesting. Sure, it's pretty short, but it is an RPG and you're supposed to play it through. I'd definitely recommend this game to other people." Games-Over-Man: "...The game is overall very short and the development time for this game has been very short. So, I can't really complain about the quality of the game but rather about how short this game is, and how easy it is to get through. For me, this game is a pretty good RPG, and while it doesn't have a long storyline, I'd still recommend it to other people because it's really fun and it's got an interesting and unique concept." Game-Reviews4u5.0: "...This is a very short and easy RPG to get through, and I'd definitely recommend it to people just looking for a short, fun and action RPG to play. Sure, the game doesn't have a long storyline, but it is very easy to get through, and it's a very interesting and fun game to play." J-awesome81.0: "I'm really glad I was able to try out this game bff6bb2d33

Elden Ring is a free fantasy action RPG whose core gameplay is enhanced by combining the Warhammer Fantasy Battle with a role-playing game's customisation and Battle System. The role of the game is to expand your empire by gradually accruing points and making use of your magical talents to gain the most powerful status. Elderly Lords are the masters in this kingdom, but are useless by themselves, and they are usually killed by monsters. To live on, they need to collect the points gained in battle and summon a kid from an ancient Elden race, and to train and fuse them into Elden Lord with which they can defeat monsters. Elderly Lords always have a kid. You can select their level with the number of points you have. You can compete with other players to collect up to 10 points a day. And it becomes a higher level from every battle. The story of Elden Ring is presented as a multi-layered story told in fragments. In the title of this game, Elden Ring means "Elden Race", and in addition, it has the same meaning as "The Round Table" from the legends. Elden Ring's unparalleled battle system will allow you to join seamlessly with other players in order to forge a single destiny with them, and features real-time online play. Detailed features: □The world is vast, and is designed to make you feel joyous upon exploring. □The battles feature a strong force-feedback, and action scenes are acted in the form of battles. □The character designed with love and well-balanced make-up can be freely developed in any direction. □The making of characters can be done even when you are moving by the world that you are exploring and by the dungeon that you are going into. □You can seamlessly gather rewards while solving various problems in battles. □Adventure while gathering intelligence on the wild races. □You can freely enter the dungeon that you enter. □The battles that you face against monsters and bosses can be enjoyed in extremely high-leveled battle scenes. □The fights are continuously on the move while you are fighting. ■Fantasy World of Elden Ring: □A vast and diverse land of the Lands Between, which include a sandbox and a dungeon. □Four types of monsters, and can form a maximum of 999 monsters. □Mounts
