Q: Ansible - Permission Denied for crontab I'm in the process of automating a setup for our puppet agent to the containers it will run in. As this is the first time I've been dealing with Ansible, I'm having some issues getting a basic crontab setup working. When I try to run ansible-playbook with a local crontab that looks like this (it's a 'run on 0 minute, every hour' task): 0 * * * * /usr/bin/env
