What's new:

Gust Ni7 Mashup - Honoka & Rorona Gust FF4 Ultimate Extended Project Project Divider Mashup- Honoka & Rorona Gust DD5D event algorithm: The goal of the event conditions is to have the gameplay mechanics done optimally, so that we can play in the most fun environment. Gust DD5D event algorithm: All the algorithms are programmed to make sure Gacha/DM will last as long as possible. Gust DD5D event algorithm: All the algorithms are programmed to make sure the number of Gacha/DM at a time is the same, so that we don't have to wait for a long time. (+) Is that something that would have been done in the past that you'd like to see? (It's okay if it was done by someone else. We are not looking for that.) (+) Do you like the bushi or samurai/elf role? (The bushi and samurai/elf roles are not different. We can only play as one role, so we want you to answer this question.) (If you are a female, please choose the role with a male. This is to avoid misunderstandings.) (+) How much free time do you have on a daily basis? (Doesn't matter) (+) How often do you play PC games? (The number of times we play PC games a week can vary. We want to know how you play games. We want to know how much you play, rather than how frequently.) (+) How often do you play smartphone/tablet games? (The number of times we

play smartphone/tablet games a week can vary. We want to know how you play games. We want to know how much you play, rather than how frequently.) (+) How often do you play non-games? (The number of times we play non-games a week can vary. We want to know how you play games. We want to know how much you play, rather than how frequently.) (+) Take a moment to think about your favorite character; the character you would like to become in the future. Honoka- Rank: AP 0 Honoka- Midoriya- AP 0 Rorona- AP 0 (+) Impress your teammates with your
