"Whole of" is a special term used to refer to all the possible combinations of the season,.. Ask HN: Review my app - search for research information - ResearchAssistant I used to take notes in class, at home, and on my laptop. I would miss important information on my notes, so I decided to organize my notes. I found this website where people could upload.csv files of information from their research papers, write notes for future reference and then download the files as a.pdf. (Link: make it more useful, I wanted to make a better webapp. I've posted a few screenshots and a link to my web app at <http://www.researchassistant.info>. (I'm a PhD student by the way).I am looking for feedback on:1) Did I get the UI right? 2) Did I get the functionality right? 3) Did I make a mistake in the marketing? Maybe all the UI is too heavy, I need to add a UI designer/videographer/whatever.Thanks ===== vonnik There are some small formatting glitches in the demo. You need to show the units of measurement next to your text. All the text fields should be multi-line text fields. \- Dt: no single quotes, use `dt` instead. \- Dt: your unit of measurement should be right there. \- Subheading font is not the same size as the rest of the text \- Titles of research notes should be bold rather than regular. \- Other vertical separators should be at a height that is equal to the rest of the text. \- The font should be italic. ~~~ ResearchAssistant Thank you for pointing out all these issues! I'm going to fix them as
