Tutorial Video - Vandal (How-to video). I am a serial online entrepreneur in business for more than ten years. You could call me an Intrapreneur, and I am. I never stayed in one place too long, always looking for more advanced ways to take my business forward. A few months ago, I began to experiment with online marketing and advertising as well as web development. This is how Vandal was born. If you still do not know RockCrushers definition, then this is the meaning: A video tool that is very similar to Adobe After Effects and with a close resemblance to Adobe Photoshop (just in case there is any confusion). You can either download it yourself or find the latest version and the serial number. This is a nice video editing software that is easy to learn.
