All the content, desktop images and photos in this website is free to download. So, what are you waiting for? Just get it and enjoy. Download Connors Upper Nebula Win 7 Theme Reviews Reviews Couldn't be easier to install or remove. I love the dark background, and I especially like that you have to have admin permissions to install this theme. I always have to do that, and I'm glad I don't have to with this theme. I had not considered using an older Windows OS, but with everything being so unstable, I guess I will have to start trying new things, like this theme! by Ded Easy install, easy to customize and great interface

Allows to set the "win 7" keyboard shortcuts. Installing Connors Uplook Download Connors Uplook.MSI file from RAR file and save it. Right click on it and click "Run as Administrator" if UAC is disabled on Windows 7. Open the folder where you have saved Connors Uplook.MSI file and double click on Connors Uplook.MSI file to start the installation. When the installation starts, follow the prompts.
