Michael Morath - Simple Man (Official Music Video) Mute is an American electronic band formed in New York City by singer, composer, and arranger Michael Morath and producer Martin Glover. It is known for Morath's disco-influenced vocals and their unique blend of synthesizers, rhythms, and electronic sounds. Security details gathered an unaccustomed ally on Saturday. Specialists from GCHQ joined officers from the National Crime Agency and the National Cyber Crime Unit to help track those behind a wave of spearphishing emails, which have been targeting firms with sensitive information relating to UK businesses. The emails appear to be aimed at high-value targets and contain malicious attachments. Operation Prism - an initiative by the National Crime Agency's National Cyber Crime Unit - was launched following the announcement of the Serious Organised Crime Agency's (SOCA) National Cyber Crime Unit. According to details released by both the SOCA and GCHQ, the emails have been targeting several high-value organisations, including defence contractors, defence suppliers and engineering companies, with the aim of targeting a range of sensitive information. In an attempt to stop any leakage of the data, the criminals are sending the data to a remote server and, in some cases, transferring the cash to the IP addresses through prepaid cards. The waves of phishing appear to have begun in December, when the National Crime Agency's Operation Prism kicked off. In a series of sweeps, the National Cyber Crime Unit traced the financial transfers to several British
